

## MAGNETIC LED track light NAGANO FLEX with leg 6 W Datasheet

|                         |  |
|-------------------------|--|
| Number of heads         | 1  |
| Mounting                | Track mounting   |
| Lamps description       | LED 6 W, CRI 90  |
| Luminaire luminous flux | 80 lm/W  |
| Voltage (V)             | 48   |
| Environment             | Indoor   |
| Notes                   | MAGNETIC track lights are a new generation of innovative lighting systems. |

Magnetic LED light to be installed on 48 V magnetic track

### OPTICAL

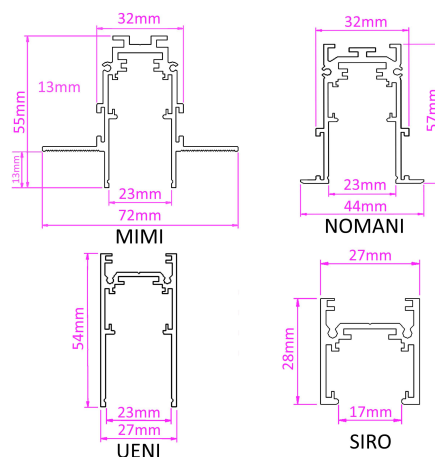

|                             |                          |
|-----------------------------|--------------------------|
| Reflector finish            | Aluminum, PVC            |
| Aiming                      | Adjustable 360° and 180° |
| Light distribution symmetry | Symmetric                |
| Beam angle                  | 36°                      |
| Color temperature           | 3000K                    |

### ELECTRICAL

|                      |            |
|----------------------|------------|
| Wattage              | 6 W        |
| Transformer mounting | Integral   |
| Transformer type     | Electronic |
| Frequency            | 50-60 HZ   |
| Voltage              | 48 V       |

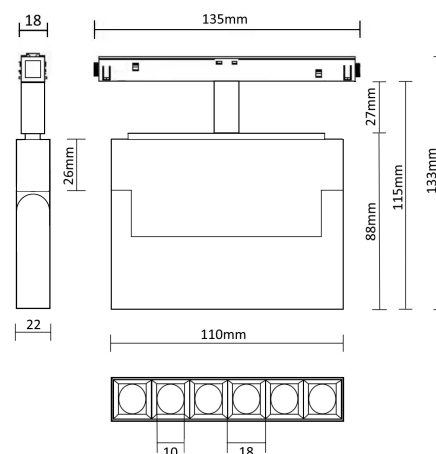

### PHYSICAL

|                       |                            |
|-----------------------|----------------------------|
| Spot diameter (mm)    | Ø 10                       |
| Construction material | Aluminium, PVC             |
| Weight (kg)           | 0,23                       |
| Luminaire lifespan    | 30 000h                    |
| LED module            | OSRAM                      |
| Driver                | Flicker free 48 V          |
| Working temperature   | 0 to +40 °C                |
| Warranty              | 2 years from purchase date |

● Black

Dimensions: 110 x 88mm
