Flex 30 Lamp with Globe lightbulb

Finish: Matt White

Description

Flexible as rush, adaptable as a cat, this lamp will furnish every room of your home in a surprising way. The secret? An adjustable arm that allows you to customize its shape however and as many times as you want.

Flex arm, 30 cm long, allows for example to best illuminate the nightstand whether you be under the covers looking at old pictures or planning new adventures or sitting on your bed reading a book. You will be able to bend its form simply with your hands.

White with simple lines, titanium for modern environments or bronze to warm up the atmosphere? This applique with flexible Flex 30 cm arm can settle any dispute when it comes to style, also thanks to the globe shaped G95 lightbulb.
